

Saint Anthony, Example of Humility

Dear St. Anthony, after all these years in the school of Christ, I still haven't learned the lesson of true humility. My feelings are easily ruffled. Quick to take offense, I am slow to forgive. St. Anthony, Example of Humility, teach me the importance and **necessity** of this **Christian** virtue. In the presence of Jesus, who humbled Himself and whom the Father exalted, remember also these special intentions of mine. (Name them.)
